

☕ Lighthouse Café

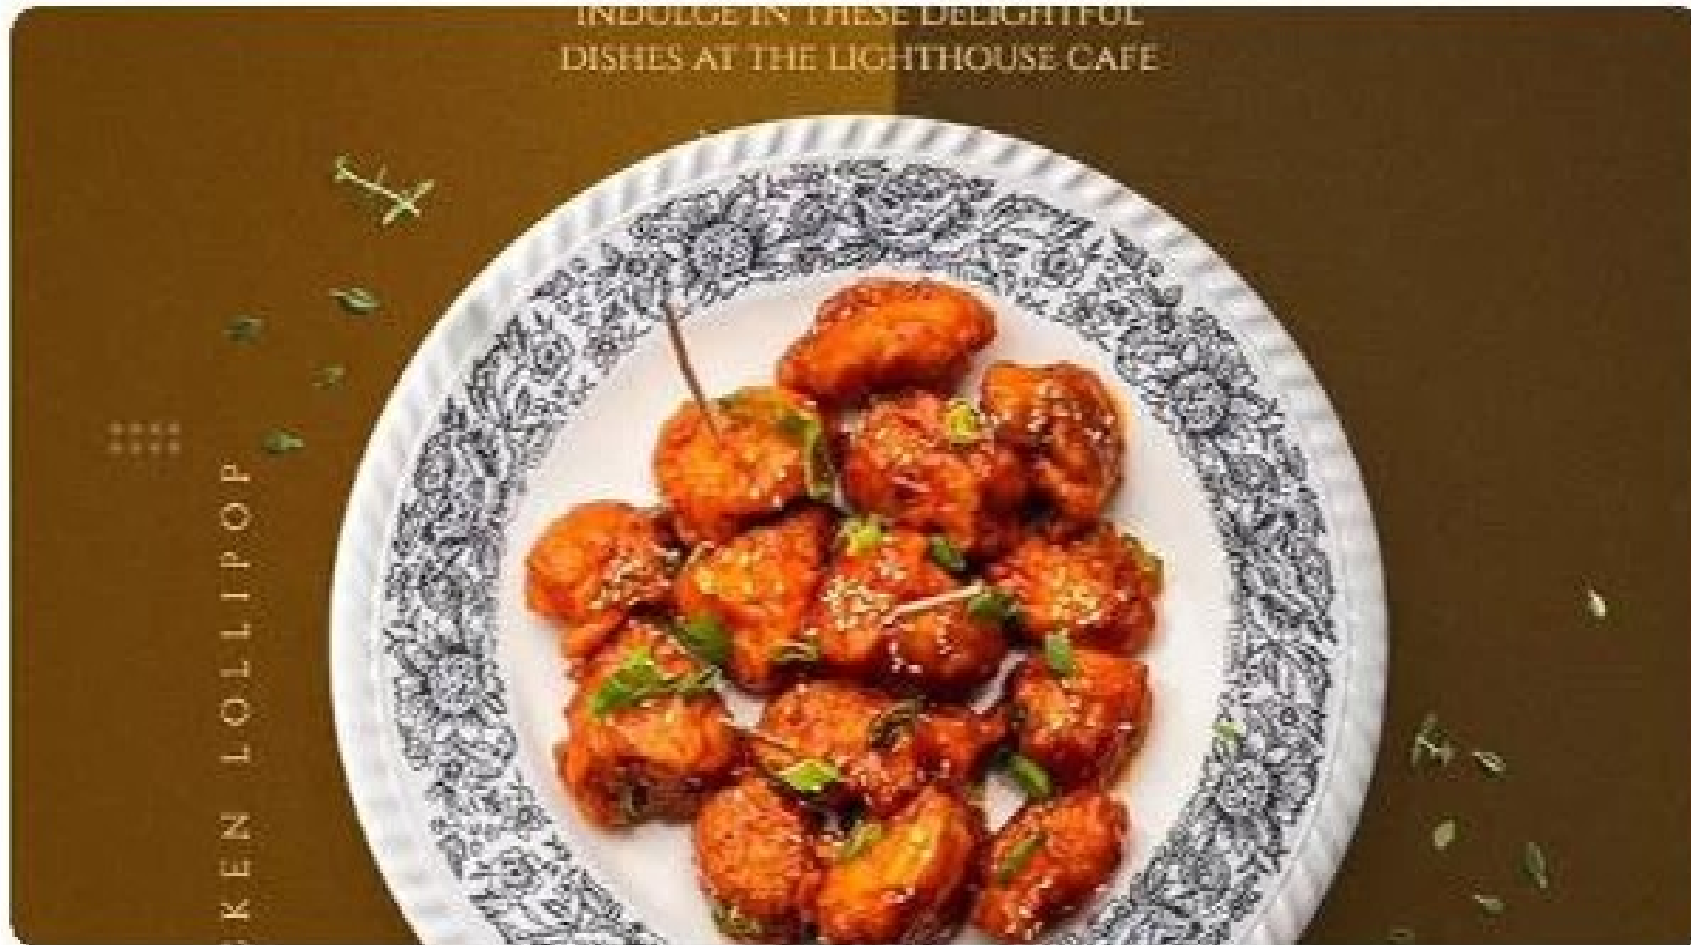

Welcome to our cozy corner where every cup tells a story. Discover our handcrafted beverages, artisanal pastries, and warm atmosphere that makes every visit feel like coming home.

Menu

Crafted with love, served with warmth. Each item on our menu is carefully prepared using the finest ingredients to create moments of pure joy.

Chef's Picks

Chicken Lollipop

Our chef's favorite! Crispy, tangy, and tender.

Sunday 12:00 PM - 10:00 PM

The background image shows the interior of a cafe. The ceiling is made of light-colored wood with recessed lighting. A large, leafy plant hangs from the ceiling. On the left wall, there is a sign that says 'TEA' in a stylized font. The room has large windows on the right side, looking out onto a green landscape. In the foreground, there are tables and chairs with patterned upholstery. The overall atmosphere is warm and modern.
